Education

PRIMARY EDUCATION

Biology

Hanoi University of Science, High School for Gifted Students

Sept 2011 — June 2014

Doctor of Preventive Medicine

Hanoi Medical University

Sept 2015 — June 2021

Master of Epidemiology

Hanoi Medical University

Sept 2021 — June 2023

ADDITIONAL EDUCATION

COURSERA - EDX

1. **Systems thinking in public health**

Johns Hopkins University

2. **Introduction to Systematic Review and Meta-Analysis**

Johns Hopkins University

3. **Global Health: An Interdisciplinary Overview**

University Of Geneva

4. **Learning How To Learn: Powerful mental tools to help you master tough subjects**

McMaster University, University Of California San Diego

5. **Epidemiology: The Basic Science Of Public Health**

The University Of North Carolina At Chapel Hill

6. **Introduction to Probability and Data with R**

Duke University

7. **AI For Everyone**

DeepLearningAI

8. **Machine Learning**

DeepLearningAI

9. **Google Data Analytics Specialization**

Google

10. **MicroMasters Program Statistics and Data Science** (Currently enrolled)
Massachusetts Institute of Technology

SHORT-TERM TRAINING

1. **NIH Grant Writing Course**
Keith W. Kelley (Professor Emeritus of Immunophysiology, University of Illinois)
2. **Introduction to Modeling and Cost-Effectiveness**
Luong Nguyen Liem Binh (Associate Professor in Health Economic Université de Paris Cité)

Experience

EMPLOYMENT

1. **Intern**
Bio-risk Management Remote Engagement, Vietnam One Health University Network
2018 – 2020
2. **Data Analyst**
Center for Training and Research on Substance Abuse HIV, Hanoi Medical University
2022 – 2024
3. **Intern**
The George Washington Institute of Data Science and Artificial Intelligence (ISODS)
June 2024 – June 2025
4. **Research Project Coordinator**
College of Health Sciences, Vin University
May 2024 – March 2026
5. **Research Assistant**
College of Health Sciences, Vin University
March 2026 – Current

RESEARCH PROJECTS

1. **Complete DNA-microarray technical process to identify congenital hearing loss gene mutations**
Hanoi Medical University funded study
Data collection, data analysis
2. **Completing the technological process of producing a kit to determine the level of sperm DNA breakage to diagnose male infertility**
Vietnam Ministry of Health funded study
Data collection, data analysis
3. **Evaluating the actual effectiveness of the AstraZeneca vaccine and important factors in preventing SARS-CoV-2 infection in some at-risk communities in Vietnam**
Vietnam State funded study
Data collection, data analysis
4. **Research to build an artificial intelligence system to support prenatal screening for some common abnormalities in Vietnam**
Vietnam State funded study
Data collection, data analysis
5. **Screen, Treat and Retain Meth-using People With Opioid Use Disorders at Methadone Clinics (STAR-OM)**
US NIH funded study
Data collection, data analysis
6. **Apply AI models in predicting nutrition and physical activity level of Vietnamese youth**
Vietnam State funded study
Data collection, data analysis
7. **Prevalence of sexual orientation and gender identity change efforts and related psychosocial well-being in Vietnam**
UNFPA funded study
Data collection, data analysis

8. **Clinical, laboratory, and microbiological differences between early- and late-onset neonatal sepsis in preterm infants: a cross-sectional study in Vietnam**
Research study
Data analysis
9. **Rapid Reviews/Infectious Diseases**
Gates Foundation funded study (Ongoing)
Assistant editor
10. **Risk Factor for Chronic Disease In Asia: A Secondary Data Analysis Of Steps Survey In 25 Countries**
(Ongoing)
Data analysis
11. **Feasibility Study for the Vietnam Cohort Study (VINCohort)**
VinUni funded study
Coordinator
12. **Improving OSCE Score Accuracy with Borderline Regression - Insights from VinUniversity (Ongoing)**
VinUni funded study
Data analysis
13. **MOTOAIR-VN: Air Pollution Exposure and Health Impact among Scooter Delivery Drivers in Vietnam**
VinUni funded study
Data collection, data analysis

TEACHING AND MENTORING

1. **Thesis Advisor, Center for Training and Research on Substance Abuse — HIV**
Hanoi Medical University 2022 — 2024
2. **Teaching Assistant**
VinUniversity May 2024 — Now
3. **Self hosted coding class**

Fellowship and awards

FELLOWSHIP

D43 Fellowship on Training Program for Strengthening Research Capacity in Non-Communicable Diseases in Vietnam - University of Massachusetts Medical School and Hanoi Medical University | 2021-2023

AWARD

1. 3rd prize - Hanoi Medical University student scientific conference 2017
2. 3rd prize - Hanoi Medical University student scientific conference in English 2017
3. 2nd prize - Ministry of Education and Training student scientific conference 2018

Conferences

1. Phạm Quang Hải, Đỗ Đức Huy, Đặng Công Sơn. Desire to have children of people living with HIV/AIDS in Vietnam. Hanoi Medical University student scientific conference in 2017.
2. Vũ Tố Giang, Đỗ Đức Huy. Application of DNA Microarray technique to detect 16 mutations in 4 common genes in deaf children in Hanoi, Vietnam. Third Prize, Hanoi Medical University student scientific conference in 2017.
3. Vũ Tố Giang, Đỗ Đức Huy. Mutation detection for pediatric non-syndrome hearing loss by DNA microarray and Next-generation sequencing in Vietnam. Second Prize, The 4th Hanoi Medical University student scientific conference in English in 2018.
4. Vũ Tố Giang, Đỗ Đức Huy. Applying Microarray and NGS to study polymorphisms of 18 genes in non-syndromic deaf children. Second Prize, Ministry of Education and Training student scientific conference in 2018.
5. Đặng Thị Trang, Đỗ Đức Huy, Lê Thanh Hải. Training needs assessment on biorisk management among laboratories staff at human health and animal health sectors in Vietnam 2020. The 7th Hanoi Medical University student scientific conference in English in 2020.
6. Phung NH, Nguyen CT, Tran TK, et al. A Combination of Multi-Branch CNN and Feature Rearrangement for Down Syndrome Prediction. 2023 International Conference on Artificial Intelligence in Information and Communication (ICAIIIC).
7. Huy DD, Duong TD, Jeffrey M, Pham TT, Christina LS. Improving OSCE Score Accuracy with Borderline Regression - Insights from VinUniversity. 2024 Vietnam Association for Medical Education conference.
8. Nguyen, V. T. T., Do, H. D., Zhan, J., Willett, W. C., & Bui, L. (2026, May 29–June 2). Associations of multiple dietary indices with health outcomes and diet-related greenhouse gas emissions in U.S. adults: Evidence from NHANES 2005–2018 [Conference presentation abstract]. ASCO 2026 Annual Meeting
9. Bui, L. T. K., Do, H., Pham, T. T., Hoang, L. B., Tran, M. T., Tran, C. T. D., Le, L. C., & Bui, L. P. (2026, May 14–17). Prevent cardiovascular risk: Model comparison in Vietnamese adult employees [Conference presentation abstract]. Asian Pacific Society of Cardiology Congress (APSC 2026), Taipei, Taiwan.
10. Hoang, T.-A., Nguyen, N. M.-L., Ngo, Q.-M., Do, D.-H., & Pham, T.-T. (2026, May 14–17). The cardiovascular burden of metabolic syndrome in Asia: Comparative estimates of prevalence and attributable risk [Conference presentation abstract]. Asian Pacific Society of Cardiology Congress (APSC 2026), Taipei, Taiwan.

Social activities

CLUBS

1. Hanoi Medical University Volunteer club -member
2. Hanoi Medical University Rhetoric and Debate club -member

OTHER ACTIVITIES

1. Y1+1: Y muỗi Go -Head of digital design and advertisement team | 2016
2. Vietnam Private Sector Economic Forum -Volunteer | 2019
3. TED -Volunteer translator | 2017 -now
4. YBOX -Volunteer translator | 2018 -2019
5. Trái tim vì cộng đồng -Volunteer | 2024

Skills

LANGUAGE

English: 7.0 IELTS

DATA ANALYSIS

Stata, R, Python

MEDIA

Photoshop, OBS studio
